

Pizzeria Torkul

Hvala Nam što ste odabrali našu pizzeriu da uživete u čarima krušne peći i domaćim specijalitetima. Kod nas ste uvijek dobrodošli.

Torkul je povjesno mjesto staro više od 100 godina i ima svoju dušu i svoju priču. To je priča koja govori o kervi, znoju i teškom radu stotina obitelji, koje su se kroz cijelu godinu mučili i obrađivali masline, da bi ih u torkulu uz puno znoja ali i smijeha pretvarali u dragocijeno maslinovo ulje. Sve se radilo ručno. U tim danima Torkul je odzvanjao pjesmom i smijehom i hranio je Torkul mnoge obitelji.

Danas je Torkul također pun smijeha i pjesme. Nadamo se da će te uz nas osjetiti dobrodošlicu na naš otok, te duh vremena kakav se nekad osjećao u Torkulu.

Thank you for choosing our pizzeria to enjoy the charm of our stone oven and home made specialities. With us you are always welcome.

Torkul is a place with soul and rich history that dates back over 100 years. Our history tells of the dedication and hard work of hundreds of families who had struggled and cared for olives all year to eventually turn them into precious olive oil. Everything was done manually in those days. In that time, Torkul was filled with joy and happiness, but also hard work. The money made from olive oil helped to feed many families.

Today Torkul is again full of joy and happiness. We hope that with us you feel welcomed on our island, and that you will feel spirit of the times as it once was in Torkul many years ago.
